St Paul's Drouin Campus Update

Establishing Foundations

So much can happen in a short time, and it's exciting to know that construction of the new Drouin Campus of St Paul's Anglican Grammar School has officially commenced!

On Friday 10 March we celebrated with a ceremonial "Turning of the Sod", signifying the next step in development of the new school.

Foundation families, staff and students, together with local dignitaries, enjoyed this significant first step in bringing to Drouin a high-quality independent option and improved educational choice for families.

Located adjacent to McGlone Road in Drouin (and accessed opposite Kingston Heath Drive with a newly made gravel road), the attendees enjoyed magnificent views toward Bunyip State Park.

Earthworks will commence shortly in preparation for the build, before construction starts later this year. We will be building throughout the entirety of 2024 - ready to welcome students for the first day of school in 2025.

Consisting of a four-classroom Early Learning Centre, a six-classroom Primary School and associated sporting facilities and playgrounds, the school will continue to cater for annual growth to Year 6 and provide specialist and outdoor play facilities.

Planned to open on the first day of school in 2025, you can now see how our school's striking design will create a vibrant, contemporary learning environment for our growing Drouin community by viewing the virtual tour at:

I look forward to meeting you at one of our upcoming events and encourage you to enrol early to ensure a place for your child.

An Egg-cellent Adventure

On Wednesday 5 April we held our first community Easter Event at our new Drouin Campus.

It was a wonderful morning for our newly enrolled families, the wider Drouin community and our Warragul Prep students to come together and celebrate Easter on the picturesque new site!

Children enjoyed activities including gigantic noughts and crosses, pin the tail on the bunny, an obstacle course and an Easter headband decorating session, all led by Warragul Year 6 student Leaders.

The Easter Bunny also made a cheeky appearance, much to the delight of all the children and adults!
