

General School Information Collection Notice: Students

This Collection Notice explains in general terms how we protect the privacy of the personal information you provide when you are enrolling your child or your child is enrolled at St Paul's Anglican Grammar School. In reviewing this Collection Notice and providing us with your personal information, you consent to our collection, use and disclosure of that information in the manner set out below, unless you tell us otherwise.

1. St Paul's Anglican Grammar School collects personal information, including sensitive information about students and parents or guardians and family members before and during the course of a student's enrolment at the School. This may be in writing or in the course of conversations. The primary purpose of collecting this information is to enable the School to meet its educational, administrative and duty of care responsibilities to the student to enable them to take part in all the activities of the School.
2. Some of the information the School collects is to satisfy the School's legal obligations, particularly to enable the School to discharge its duty of care.
3. Laws governing or relating to the operation of a school require certain information to be collected and disclosed. These include relevant Education Acts and Public Health and Child Protection laws.
4. The School may request medical reports and health information about students from time to time to discharge its legal duty of care to the student and to other students and staff. This includes a student's asthma and anaphylaxis action plans, as well as any other health or medical information which is reasonably likely to impact on the School's ability to provide educational, first aid and related services.
5. A student's health and medical information will be disseminated and used within the School to best meet the School's duty of care responsibilities. This may include the use of photographs with health action plans to facilitate the identification of students who may be at heightened risk.

Health information about students is sensitive information within the terms of the Australian Privacy Principles (APPs) under the Privacy Act 1988.

6. The School may disclose personal and sensitive information for administrative, educational and support purposes (or may permit the information to be directly collected by third parties). This may include to:
 - government departments;
 - third party service providers that provide online educational and assessment support services or applications (apps), which may include email and instant messaging;
 - another school to facilitate the transfer of a student;
 - medical practitioners, and people providing educational support and health services to the School, including specialist visiting teachers, sports coaches, volunteers, counsellors and providers of learning and assessment tools;
 - assessment and educational authorities, including the Australian Curriculum, Assessment and Reporting Authority;
 - people providing administrative and financial services to the School;
 - anyone you authorise the School to disclose information to; and
 - anyone to whom the School is required or authorised to disclose the information to by law, including under child protection laws.

7. If this information is not provided to us, the School:
 - a. views this as an unacceptable risk and will not proceed with the enrolment
 - b. will not be able to fully discharge its duty of care to its students and staff.
8. The School will engage in fundraising activities from time to time. Information received from you may be used for these purposes. It may also be disclosed to the School's Parent & Friends Association (Friends of St Paul's) who assist in the fundraising activities of the School. We will not disclose your personal information to third parties for their own marketing purposes without your consent.
9. The School may also use cloud computing service providers to store personal information (which may include sensitive information) on their servers in the 'cloud'. These servers may be located in or outside Australia. This may mean that personal information may be stored or processed outside Australia, however the School's preference is to use only Australian-based cloud services which meet Australian Privacy Principle (11). The School's Privacy Policy contains further information about its use of cloud and other third-party service providers and any of their overseas locations, if used.
10. The School's Privacy Policy is accessible via the School website or from the School office. The policy sets out how parents, guardians or students may seek access to, and correction of their personal information which the School has collected and holds. However, access may be refused in certain circumstances such as where access would have an unreasonable impact on the privacy of others, or may result in a breach of the School's duty of care to the student, or where students have provided information in confidence. Any refusal will be notified in writing with reasons if appropriate.
11. The School's Privacy Policy also sets out how parents, guardians, students and their family can make a complaint about a breach of the APPs and how the complaint will be handled.
12. On occasions information such as academic and sporting achievements, student activities and similar news is published in School newsletters and magazines, on physical displays throughout the School and on our intranet. This may include photographs and videos of student activities such as sporting events, school camps and school excursions.

The School will obtain separate permissions from the student's parent or guardian (and from the student if appropriate) prior to including such photographs or videos or other identifying material in our promotional material or otherwise making this material available to the public, such as on the internet.

The School will obtain separate permissions from the student's parent or guardian prior to including personal information on class lists or school directories.

13. If you provide the School with the personal information of others, such as other family members, doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the School and why, that they can request access to and correction of that information if they wish and to also refer them to the School's Privacy Policy for further details about such requests and how the School otherwise handles personal information it collects and complaints it receives.
