

St Paul's
ANGLICAN GRAMMAR SCHOOL

Congratulations
Class of 2023!

Congratulations Class of 2023

Potential Pursued

The School is incredibly proud of each and every member of our Class of 2023. They applied themselves to their studies in a dedicated and enthusiastic manner and balanced this with involvement in a wide array of co-curricular pursuits. The Class of 2023 approached the year with maturity and good humour and actively pursued their potential to achieve remarkable results.

This year's cohort has a variety of plans for the immediate future from tertiary study in areas such as health and engineering, to starting apprenticeships, Australian Defence Force traineeships or entering the workforce.

We congratulate the Class of 2023 and wish them the very best for the future.

Cameron Herbert, Principal

Lifelong Learners

From tailored study planners to personalised career discussions, our most recent graduates benefited from a comprehensive support network of educators and mentors who assisted them as they worked toward graduation. Our Heads of Year, Heads of House, Chaplains and a range of staff guided and inspired each of them to aim high,

working collaboratively with the students to discover and achieve their personal potential.

Beyond the Classroom

Our Class of 2023 were encouraged to develop holistically through a range of opportunities embedded within a St Paul's education. Students delved into house activities, assemblies, mentor check-ins and chapel services marking special milestones in their final year of learning. They gave back in many ways, participating in service, leadership, co-curricular activities, sporting events, arts performances and house challenges, bringing their passion, enjoyment and unique contributions to our school.

Connection & Belonging

The Class of 2023 leave St Paul's having achieved at a very high level, along the way gaining a strong set of transferable and leadership skills that they take into their futures. Students embodied the school's values of wisdom, integrity, compassion and respect as they led their peers through the year, immersing themselves in the life of the school. From Just Dance challenges to a Year 12 picnic, students were provided with many occasions to socialise and celebrate significant moments.

Striving to Study Subjects with Study Scores over 40

- Business Management
- Chemistry
- English
- English As An Additional Language
- Food Studies
- Health And Human Development
- History: Revolutions
- Legal Studies
- Literature
- Maths: General Mathematics
- Maths: Mathematical Methods
- Physical Education
- Psychology
- Sport and Recreation (VCE VET)

Beyond 2023

Olivia Aitken: Nursing, Australian Catholic University

Aimee Armstrong: Occupational Therapy, Monash University

Madison Ashley: Nutrition Science – Scholars Program, Monash University

Nithya Atla: Orthoptics, La Trobe University

David Baker: Liberal Arts, Campion College

Rebecca Baxter: International Studies, Deakin University

Hayden Berton: Osteopathy, RMIT

Emily Birks: Arts, The University of Melbourne

Charles Blackburn: Global Studies/Information Technology, Monash University

Sharni Boote: Property and Real Estate/Commerce, Deakin University

Sophie Bray: Certificate III Aviation, William Angliss Institute

Thomas Brook: Business/Accounting, Monash University

Nikita Buhagiar: Occupational Therapy, Deakin University

Molly Cargill: Education P–12, Victoria University

Quinn Carmichael: Laws/Arts, Monash University

Anotida Chakauya: Community and Human Services, Federation University

Xavier Cox: Business, RMIT

Marcus Cropley: Engineering Technology – Electrical, RMIT

Mollie Dennis: Travel

Zoe Dowler: Physiotherapy, Federation University

Riley Ellen: Science, Federation University

Remy Ferguson: Sport Traineeship, St Paul's Anglican Grammar School

Callum Forsyth: Employment/Travel

Ben Francis: Australian Defence Force

Hannah Gorman: Occupational Therapy, Deakin University

Ari Grubb: Animation, Swinburne University of Technology

Jarrold Guy: Arts (Psychology), Deakin University

Anesu Gwara: Psychological Science, Australian Catholic University

Bailey Halsall: Nursing, Federation University

Grace Hamilton: Fine Arts (Visual Arts), The University of Melbourne

Ruby Hansen: Aviation, RMIT

Lachlan Hogben: Arts, Monash University

Sterling Holman: Agriculture, The University of Melbourne

William Hyde: Business, RMIT

Daniel Isaacs: Information Technology (Professional Practice), Federation University

Lucas Jantos: Live Production and Technical Services, RMIT

Charles Jaques: Physiotherapy, La Trobe University

Verity Jeffrey: Nursing, Deakin University

Alisa Kubale: Occupational Therapy, Deakin University

Callum Lancey: ADF Gap Year Program

Samantha Liesenberg: Business/Accounting, RMIT

Matthew Lloyd: Engineering (Professional), Swinburne University of Technology

Taliesin Lowe: Audio Engineering, Collarts

Shivi Maheshwari: Medicine, Monash University

Jasper Mansfield: Electrical and Information Engineering, Federation University

Carley Mifsud: Employment

Harrison Miller: Computer Science, Monash University

Hamna Mohamed Fahmi: Medicine, Monash University

Olivia Nardino: Criminology/Psychological Science, Deakin University

Pablo Neofitou: Engineering/Science, Monash University

Asher Norlyng: Sport Development, Deakin University

Tia Paku: Laws/Biomedical Sciences, Monash University

Nishka Pragji: Applied Data Science, Monash University

Connor Pyke: Secondary Education, Federation University

Devmini Rankethkumbura: Science, Monash University

Lachlan Reidy: Film, SAE Creative Media Institute

Scarlett Roche: Youth Work and Youth Studies, RMIT

Alannah Rogalsky: Commerce, The University of Melbourne

Rogan Rutter: Orthoptics, La Trobe University

Amber Schutte: Psychology (Honours), Deakin University

Dempsey Sederlan: Public Health and Health Promotion, Deakin University

Jack Shearer: Environmental Science/Engineering, RMIT

Lucy Shen: Commerce, The University of Melbourne

Eamon Simcocks: Australian Defence Force

Noah Smith: Science, Monash University

Dylan Sotiropoulos: Business/Accounting, Monash University

Lachlan Spearis: Laws/Commerce, Monash University

Elsie Steenholdt: Nutrition Science, Deakin University

Zara Sterley: Science, Monash University
